Sir:

Subject to the approval of the Examiner having jurisdiction over the above-identified application, please enter the replacement set of drawings (four sheets; Figures 1-4) that is attached hereto.

It is noted that the Notice of Allowability (attached to a Notice of Allowance dated February 4, 2005) did not require corrected drawings, and instead advised that the drawings filed on September 3, 2004 are accepted by the Examiner. However, the drawings filed on that date were intended as proposed drawing changes, and not as replacement drawings. The replacement drawings that are attached hereto provide the changes proposed in the drawings filed September 3, 2004.

Respectfully submitted,
